Ron Melton Speaking May 6 in Morning Worship

We are excited to announce that beginning on May 13, Mother's Day, we will begin meeting in the Family Life Center for Sunday Morning Worship. The overwhelming majority of you do not care WHERE we worship, just that we DO worship. This move will have many positives. We will have extra seating space which will be more comfortable and a larger area to talk and mingle

after services. Access will be easier for some Sunday School classes and we will have better, larger rest rooms available. Plus we will have the kitchen close by for coffee and fellowship before service begins. Please pray that God will bless our church and allow it to become everything God wants it to be. Sunday and Wednesday evening services will continue to be in the sanctuary.
