Each year public school teachers provide supplies to their underprivileged and ill-prepared children in their classroom and their school. Many churches are chipping in to assist those teachers that attend their church. FBC Brookline has several teachers and staff that attend here. There are money jars in each adult Sunday School Class, If you would like to put a quarter or dollar in to help, please do so. We will divide the money given and distribute to the teachers and staff that attend OUR church. We will be receiving this during the month of August.
