Today is **VOTER SIGN UP SUNDAY**. Every believer in America is needed to step forward and sign up to vote in the upcoming elections. People are asking what they can do in response to all that is happening in our culture and government, local, state and national. A basic patriotic action step is to register to vote and vote Biblical values. If you are a first time voter or have changed your address or name since the last time you voted, you need to fill out a new voter registration application. Deadline is October 10. There is a Voter Registration Table in the back of the Family Life Center available to help you.
